Let me down!!! What's wrong with you all of a sudden?!

SWOOSH!

Hoya!
Why did you attack Daiyo instantly all of a sudden?

I didn't kill them so don't worry

what?!?! Those people only misunderstood?

Misunderstood? Lots, you know, different, because you are a human and demons are enemies. So as if you weren't mad to me, they could've tried to kill me

Enemies?

If you're enemies then why are you so kind to me?

You don't hate humans- right?

I was going to run away, but they were cool and all- just no luck- I could. That's all it's happened

But!!

I'm here!

There was many other better methods to handling that situation! I could've stopped the misunderstanding

I could explain to them that even amongst demons there are kind ones like you. But, you just got up and ran...!!

Misunderstanding. Running?

You became the bad guy!!! I'm...!!!

AAAAAAAAAAAAAHHHHHHHHHHHHHHHH!!!!, The fox side of him is cool too.
Q. How do you draw the fox side of nweho??

I've developed him after very many trials and errors all this time...
I realized I've picked a very difficult genre..
haha... kukuku I'm not regretting it though! hehe. um...
At first, I practiced drawing cheetas... then horses.... then puppies...
and I practice practice practiced and finally I was able to draw Hoya. TT__TT.
Whenever I get stuck again, I draw some more cheetas, horses, and puppies....
I study the way they move and stuff. TTT.....TTT.
Everyone, there's nothing you can't do with effort!!! Fighting!!!!

Although my drawing is like this, you'll... give me some stars, right? TTT_____TTT waaahhh...
